Hey, quick update

Kerry is not available – he's supposed to cover Penn Mine for Paul beginning tomorrow and he told Steve Way he'd be on standby to help at GKM.

Melissa Payan – She's able to deploy Sunday afternoon, she has to demob for Denver 8/23

Patti Tyler – is available to deploy tomorrow morning

Mike Shanahan – can be available but has some personal stuff going on.

Rick Baird – left him a voicemail

Thanks, Gina
